*Basking in His Presence, Resting in His Love...*

## **When Will You Come?**

Kathi Wilson © 2008

Each night I fall asleep to the rhythm of my pleadings  
Each morning I'm awakened by the pounding of my cries  
Upon the Heart of Heaven

How long shall I wail, how long need I contend?  
My heart is broken open  
When will You come, when will You come, to my rescue?  
When will You come, when will You come, to my rescue?

There is nothing more haunting than the silence of heaven  
And nothing more heavy than unanswered prayer  
This is desperation...

How long shall I wail, how long need I contend?  
My heart is broken open  
When will You come, when will You come, to my rescue?  
When will You come, when will You come, to my rescue?

My heart will go on trusting in Your faithfulness  
And believing that Your heart is good  
I will continue to cry out for Your mercy  
And to hope in that which is not seen

You're not too late, You have glory to spill out on my life  
I surrender to Your timing, I yield to Your plan  
I give myself completely to You

Come and have Your way in me  
Come and have Your way in me  
Come and have Your way in me

## **Come Away, My Beloved**

Kathi Wilson © 2006

There is a secret place, found deep within  
I am calling you, to enter in  
There is a sanctuary, made just for you  
It's the place deep inside, I am drawing you to

Come away My beloved, come away  
Come away My beloved, come away  
Come away My beloved, come away  
And stay... I want you to stay

Come away My beloved, move away from the noise  
Into the Stillness, where you will hear My voice  
Leave behind the distractions, retreat from your soul  
Into My presence, where you will be made whole

Come away My beloved, come away  
Come away My beloved, come away  
Come away My beloved, come away  
And stay... I want you to stay

### **I Can See You**

Kathi Wilson © 2009

I can see you in that corner, so afraid that you'll be found  
Trusting silence to conceal you, you refuse to make a sound  
But your eyes how they betray you, tell Me something you've not said  
They reveal your secret longing, to be known by Me instead

Won't you step out of the shadows, and lean into the light  
Move out of that darkness, and more into My sight  
'Cause I'm not gonna hurt you, I just want to see you  
Become all you're meant to be

Open up your life and let Me in  
Let Me have a chance to win your trust  
I know it's hard, but I'm reaching out to you with all My heart

I can see that you are hiding, 'cause you don't know who to trust  
Thinking you must be a fortress, even though you feel more like dust  
Don't you know your heart is dying, and it's crying for release  
Though unspoken and kept hidden, you do want true intimacy

Won't you step out of the shadows and lean into the light  
Move out of that darkness and more into My sight  
'Cause I'm not gonna hurt you, I just want to see you  
Become all you're meant to be

Won't you take a step in My direction  
And allow Me to gaze into your eyes  
I know it's hard, but I'm reaching out to you with all My heart  
Reachin' out to you with all My heart  
Reachin' out to you with all My heart

### **Your Love**

Kathi Wilson © 2011

Holy One... here I am  
Listening as well as I can  
Waiting for your tender touch  
Yehovah I need you, so much...

Hold me as I linger in my sadness and my grief  
Help me as I listen for Your Words that bring relief  
And I'll be able to, make it through, because of You  
Yes, I'll be able to, make it through, because of You  
And Your Love, Your Love, Your sweet Love

Holy One... I need to know  
That You will lead where I should go  
Traveling this path unseen,  
Yehovah help me learn how to lean...

Hold me as I linger in my sadness and my grief  
Help me as I listen for Your Words that bring relief  
And I'll be able to, make it through, because of You  
Yes, I'll be able to, make it through, because of You  
And Your Love, Your Love, Your sweet Love

And Your Love, Your Love, Your sweet Love

### **Long Enough**

Kathi Wilson © 2009

Have you languished long enough  
That you have learned the dance of hope  
Have you sat in silence long enough  
That you can delight in His quiet delay

And have you suffered long enough  
That you have found the riches of His unending mercy  
And have you waited long enough  
To discover you have wings with which to soar

They that wait on the Lord shall renew their strength  
They shall mount up with wings as eagles  
They shall run and not be weary  
They shall walk and not faint for the Lord has promised

Do not fear for I am with you and I am your God  
Surely I will uphold you, I will not forsake you

Just hold on, hold on  
I've got you in the palm of My hand  
Just keep on, keep on  
I will complete what I began!

Trust Me, lean on Me, You are My beloved...

## **Child of My Love**

Kathi Wilson © 2009

Child of My Love, allow your heart to come  
What holds you back is not of Me  
Precious little one, come sit upon My lap  
I promise that My Love will set you free  
I will answer all your questions  
I will help to ease your pain  
Let My presence overwhelm you  
There's so much for you to gain

I am the Lord and I have called you  
I hold your hand and watch over you  
What's in the past must be forgotten  
I now declare that all things are new... for you

Come unto Me, you're broken and weary  
That heavy load is not from My hand  
Take on My yoke, I assure you it's easy  
You will find rest, instead of demand  
for your soul...

Rest for your soul, for your soul, for your soul  
Rest for your soul, for your soul, for your soul, for your soul...

## **I Surrender**

Kathi Wilson © 2009

I will turn my ear and incline my heart  
To hear Your still, gentle voice  
I want to be able to recognize You  
In the midst of the world's constant noise

Quietly, You speak to my inner man  
Tenderly, You tell me Your will  
Lovingly, You lead me showing which way to go  
As I listen for Your Word to fulfill

And I will give You all that I have to give  
As I journey on with You  
I want all that I am to be totally surrendered  
To You, and Your truth  
To You, and Your will

I surrender all to You, I surrender all to You...

## **Let My Kiss Be Your Delight**

Kathi Wilson © 2009

In the stillness you will find Me  
Pull away and turn aside  
Hush your hearts so you can hear Me  
I am longing for My bride

Can you sense how much you're cherished  
Do You know My heart is full  
As I gaze upon My treasured ones?  
Are you ready, are you waiting?  
Have you come with open hearts?  
Let your thoughts continue fading  
I am yearning to impart

Unrelenting Love has called you here  
Everlasting Arms have drawn you near  
There is Holy Fire filling My heart  
Come and let My Kiss be your delight,  
My desire is to romance you tonight

In My presence there is Safety  
You can trust Me to come near  
Open wide, do not resist Me  
There's no need for you to fear

Can you sense how much you're cherished  
Do you know My heart is full  
As I gaze upon My treasured ones?  
Are you ready, are you waiting?  
Have you come with open hearts?  
Let your thoughts continue fading  
I am yearning to impart

Unrelenting Love has called you here  
Everlasting Arms have drawn you near  
There is Holy Fire filling My heart  
Come and let My Kiss be your delight,  
My desire is to romance you tonight

Come and let My Kiss be your delight,  
My desire is to romance you tonight

## **Yehovah, Who Sees**

Kathi Wilson © 2011

Settled in Your presence, nestled in Your care  
Covered by Your lovingkindness  
I just wanna be with You and know You're there  
Nothing more and nothing less

Holding me and hearing me, my heart's poured out, I confess  
Helping me and healing me, removing doubt, I'm at rest

Hear my prayer, O God, Sustainer of my soul  
I shall trust You, Lord, to redeem and make me whole  
As I confide in You, You are faithful to complete the work You've promised to  
Hear my prayer, O God, Yehovah, Who sees  
Hear my prayer, O God, Yehovah, Who sees...

You see what nobody else sees, You see what nobody else sees, You see what nobody else sees  
You see what nobody else sees, You see what nobody else sees, You see what nobody else sees  
You see what nobody else sees, You see what nobody else sees, You see what nobody else sees  
You see what nobody else sees, You see what nobody else sees, You see what nobody else sees

Hear my prayer, O God, Yehovah, Who sees  
Hear my prayer, O God, Yehovah, Who sees...

### **I Always Hear Your Cry**

Kathi Wilson © 2010

I always hear your cry, no sound can escape Me  
I'm ever leaning, ever listening to the whispers of your heart  
I hear your voice, I've inclined My ear to you

When you call, I will answer, I am Faithful and True  
Draw near to Me, I invite you to come closer to Your King

My desire is to, reveal My heart to, you My love  
All My compassions, they are kindled, I am stirred deep within  
I have set My affections upon you

So fear not My child, be not dismayed  
You are treasured by the One Who holds the keys

I am able to keep you, I will make you to stand  
You can trust that I have heard and I have seen

### **Love Is Never Too Late**

Kathi Wilson © 2009

When God's chosen people arrived at the shoreline of the Red Sea  
They could have felt that all was lost, and that they would die inevitably  
But God came through, He had a plan  
And their rescue was a part of His story  
He pulled back the waves, and brought them all through  
So they gave him all of the glory

'Cause Love is never too late, Love is never, ever too late  
Love is never too late

The One who has called you, He will be faithful  
Love is never too late

When Lazarus fell ill, Martha and Mary sent word  
Assuming that the Master would run  
But Jesus came later than they expected  
And they watched their beloved brother die  
But in spite of His delay, upon His arrival  
He cried out "Lazarus, come forth!"

And out of the tomb came the man who had died  
And all who saw soon quickly believed

That Love is never too late, Love is never, ever too late  
Love is never too late  
The One who has called you, He will be faithful  
Love is never too late

When the disciples were gathered together in the upper room that night  
They never thought that they would be scattered  
And that Jesus would be crucified  
But what He began, He was faithful to finish  
The plan of man's redemption was calling  
He bled and He died as it was prophesied  
Then He rose again in three days to prove

That Love is never too late, Love is never, ever too late  
Love is never too late  
The One who has called you, He will be faithful  
Love is never too late

All throughout the ages, the Church has been waiting, for the Lord's return  
Holy Spirit's been wooing and gently pursuing  
This one for which His heart burns  
Generation after generation, every tribe, tongue and nation  
Has been looking for the Bridegroom to come  
Like a thief in the night, when the time is just right  
He will come and rescue His bride

'Cause Love is never too late, Love is never, ever too late  
Love is never too late  
The One who has called you, He will be faithful  
Love is never too late

'Cause Love is never too late, Love is never, ever too late  
Love is never too late  
The One who has called you, He will be faithful  
Love is never too late

Love is never, Love is never, Love is never too late  
Love is never, Love is never, Love is never too late
